

Irie Rebel - RAINCOAT

{Intro: Irie Rebel}

V

Irie Rebel in the building

Let's go, yeah

{Chorus: Irie Rebel}

They come and go

But please don't leave me alone

I need to put on a coat

It's cold as fuck in V (It's cold as fuck, bro)

They come and go

But please don't leave me alone (oh, no)

I need to put on a coat

It's cold as fuck in V (It's cold as fuck, bro)

{Verse: Irie Rebel}

I feel like Nate back in '96, never leave me alone, stupid bitch

I ain't wrote shit that I ain't been in (never), it's been a long time and

I'm back again

On my bullshit and you knew it (and you knew it)

I roll through the city in my new whip (skrr, skrr, skrr)

All-time high I keep it movin' (let's go), I keep the circle of winners and

y'all losing (catch a L, bitch)

I can hit a high notes on you bitch hitters, don't be mad if I got your favorite bitch with me

I know some cheats on how to make my city realer, but if i ain't got a rain coat I might catch a fever

I wake up and look in the mirror, I feel like I'm in a thriller

Bring me my cape, I'ma hero (It's no time to say sorry, bitch)

{Chorus: Irie Rebel}

They come and go

But please don't leave me alone

I need to put on a coat

It's cold as fuck in V, bro

Come and go

But please don't leave me alone

I need to put on a coat

It's cold as fuck in V, bro

{Outro: Irie Rebel}

V-Bottom, bro, yeah
