

Ojax - Breaking Free

Hypnotized by the sun

Breaking free of my limits here

Synchronize our hearts tonight

Be tonight, let's feel the love

Hypnotized by the sun

Breaking free of my limits here

Synchronize our hearts tonight

Be tonight, let's feel the love

Hypnotized by the sound

Breaking free, no limits here

Synchronize our hearts tonight

Beats my mind, let's feel the love

Hypnotized by the sound

Breaking free, no limits here

Synchronize our hearts tonight

Beats my mind, let's feel the love
