

Ojax - Never Sleep

I pop in, drippin' like a wet dog
No talk, i just need to get my rocks off
Three dimes in the group, come up behind me
Pat me on the shoulder, thinkin' i'ma buy 'em a drink
Late night, bright lights in the concrete jungle
Not a worry in sight, do you feel that rumble?
In the new zip code every day of the week
Fendi on my eyes, 'cause i never sleep
'cause i never sleep
'cause i never sleep, uh
'cause i never sleep
Fendi on my eyes, 'cause i never sleep
'cause i never sleep
I'm done, i'm done
Fendi on my eyes, 'cause i don't ever sleep
'cause i never sleep, 'cause i never sleep
'cause i never sleep, uh, 'cause i never sleep
Fendi on my eyes, 'cause i never sleep
'cause i never sleep, uh, i got, i got
Fendi on my eyes, 'cause i don't ever sleep
Then the party's over, i'ma catch a flight
I ain't sure which city i'ma land tonight
Got a hotel booked and they say these bands
Turned up whole side 'til the night don't end
Pour 'em up 'til the sun comes out
Then we headed to the beaches from the north to the south
I ain't think about money, i don't need a receipt
Fendi on my eyes 'cause i never sleep
'cause i never sleep, uh
'cause i never sleep, yeah
'cause i never sleep

Fendi on my eyes

'cause i never sleep, uh

'cause i never sleep, yeah

'cause i never sleep, yeah

'cause i never sleep

Fendi on my eyes

'cause i never sleep

'cause i never sleep, 'cause i never sleep, yeah

'cause i never sleep, any of my eyes

'cause i never sleep, 'cause i never sleep, yeah

'cause i never sleep, 'cause i never sleep, any of my eyes

'cause i never sleep, 'cause i never sleep, yeah

'cause i never sleep, any of my eyes

'cause i never sleep, 'cause i never sleep

Fendi on my eyes 'cause i don't ever sleep

'cause i never sleep

'cause i never sleep

'cause i never sleep

'cause i never sleep

And you might

'cause i never sleep

'cause i never sleep

'cause i never sleep

'cause i never sleep

And you might

'cause i never sleep, 'cause i never sleep

'cause i never sleep, uh

'cause i never sleep, then you in my eyes

'cause i never sleep, 'cause i never sleep

'cause i never sleep, uh

'cause i never sleep, then you in my eyes

'cause i never sleep
