And it's like, it's like

Clap that ass, do a glitch, shit get down like a freak

And I got six-four like that for every day of the week

It's the blood, it's the lean, yeah, I know like you clean

Her legs inside her jeans, I smash it then I leave

It's like, it's like

It's like, it's like, it's like, it's like, it's like

'Cause you're my, my, my, you're my, my, you're my, my

You're my, my, my, and it's like fast to drive

My, my, my, you're my, my, my, you're my, my
