

BENJIxScarlett - Dogday Song

**Dogday, and i'm going to eat you
Dogday, and i'm going to eat you
Dogday, i'm going to eat you
Dogday, and i'm going to eat-
I'm dogday, i'm going to eat you
Dogday, and i'm going to eat you
Dogday, and i'm going to eat you...
Dogday, and i'm going to eat you!
Yuh, you can't stop me
'cause dogday's coming
Yeah dogday's coming to eat you (eat you)
Yuh, you can't stop me
'cause dogday's coming
Yeah, dogday's coming to eat you (eat you)
Yeah!
Drop it low, to the floor
Dogday's comin' back for more
Drop it low to the floor
Dogday's comin' back for more
Drop it low
To the floor
Dogday's coming back for more
Drop it low
To the floor
Dogday's coming back for more-
-day, i'm going to eat you
Dogday, and i'm going to eat you
Dogday, and i'm going to eat you
Dogday, and i'm going to eat you
Dogday, i'm going to eat you
Dogday, and i'm going to eat you**

Dogday, and i'm going to eat you

Dogday, and i'm going to eat you!
