

## **The Burns Sisters - I Wonder Who's Out Tonight**

**I've been around this house so much  
I'm going crazy, i'm losing touch  
Haven't been out since i don't know when  
It gets to me every now and then  
I need to see those city lights  
Been so alone i need a friend  
If only to talk to tonight**

**I wonder, i wonder who's out tonight  
I've got a feeling tonight's my lucky night  
I wonder, i wonder who's out tonight  
Who's out tonight**

**There's a band playing down the street  
I hear they have a brand new beat  
If music soothes the wild beast  
Maybe the rhythm will bring me peace  
Too much work, not enough play  
I've got to move, is there someone  
To help me twist and shout the night away**

**I wonder, i wonder who's out tonight  
Got a feeling tonight's my lucky night  
I wonder, i wonder who's out tonight  
Who's out tonight  
(who's out tonight)  
It's been a while since i've felt this way  
Somewhere between blue and gray  
There's gotta be something i can do  
To change my point of view**

**Taking the time to do my hair  
Putting on something hot to wear  
Pulling out all the stops and cares  
Gonna leave it all behind  
I'm going crazy tonight  
I'm gonna have some fun  
See the sun come rising**

**I wonder, i wonder who's out tonight  
I've got a feeling tonight's my lucky night  
I wonder, i wonder who's out tonight  
Who's out tonight**

**I wonder who's out, who's out tonight  
I wonder who's out, who's out tonight  
I wonder who's out, who's out tonight  
(i wonder, i wonder who's out)  
I wonder who's out, who's out tonight  
(i wonder, i wonder who's out)  
I wonder who's out, who's out tonight  
(i wonder, i wonder who's out)  
I wonder who's out, who's out tonight  
(i wonder, i wonder who's out)  
I wonder who's out**
