

YNKEUMALICE - New me

I'm a new me

I'm a new me

Love and acception

I'm a new me

I'm a new me

Love the way I love myself

Can't keep this to myself self

Im new to myself

Im new to myself

Looking in my soul

There's another me

Another world deep me

Another world deep me

You can see the new me

Look at the new me

I'm a new me

I'm a new me

Love and acception

I'm a new me

I'm a new me

Love the way I love myself

Can't keep this to myself self
