BENJIxScarlett - Rambley The Racoon Song

{Intro: Rambley}

I'm Rambley Racoon from Indigo Park!

I'm Rambley Racoon from Indigo Park!

{Verse 1: Rambley}

Yeah I'm Rambley with my friends

In the park, fun never ends!

Indigo Park is super cool

Even though I'm a racoon

I might be AI but I am tough

Even when I push my luck

I just need to be repaired

Even though I always care!

{Chorus: Rambley}

I'm Rambley Racoon from Indigo Park!

I'm Rambley Racoon from Indigo Park!

{Verse 2: Rambley}

Supercalifragilistic

You're gonna get served

You already know here host is

I'm Rambley Racoon and I'm here to say:

That Indigo Park is here to stay

Yeah I might be glitchy, but I'm still the best!

Yeah, Rambley Racoon nevÐµr rests

Everybody says that my arms are long, but that's not truÐµ

(They're just wrong!)

{Outro: Rambley}

I'm Rambley Racoon from Indigo Park!

I'm Rambley Racoon from Indigo Park!

I'm Rambley Racoon from Indigo Park!
