

## **Cristina Vee - Over You**

**{Verse 1}**

**Ever since you went away, I've been haunted**

**Haunted**

**I always get whatever I want, and I wanted**

**I wanted you**

**So now I'm drawin' circles in the sand**

**Tryna understand how you do the things you do**

**{Chorus}**

**Baby, I'm not over it**

**But I'm over you**

**I'm over you**

**Baby, I'm not over it**

**But I'm over you**

**I'm over you**

**{Bridge}**

**Sometimes it still hurts a bit**

**Sometime I'm so full of shit**

**But this much is true**

**Baby, I'm not over it**

**I'm over you**

**{Verse 2}**

**I thought that I could stomp you out**

**Like a fire, like a flame**

**It's done but now I'm covered in ashes**

**And I still feel the same (I still feel the same)**

**I guess if I get rid of every sign of what we ever did**

**There'd be no one left to blame, oh**

**{Chorus}**

**Baby, I'm not over it**

**I'm over you**

**I'm over you**

**{Verse 3}**

**Yeah, I try to look ahead, sometimes I look back instead**

**Think I always knew, oh**

**Baby, I'll get over it**

**I got over you**

**{Outro}**

**I got over you**

**I got over you**

**I got over you**

**I got over you**
