**Say that we lost but we won**

**Um, hun**

**Chewin' jokers up like gum, yum**

**Put it in my tum, done**

**We young and reckless**

**MSFTS live life on the edges**

**Crazy, nobody can catch us  
My sub drops and we on the set list  
Amazing, reckless and love it  
We got cool that you never been up with  
We're MSFTS, this is our republic  
And I act wild even when I'm in public**

**{Hook}**

**{Verse 2}**

**I'm not no poser  
But a joker do like the pose  
MSFTS in this with some new clothes  
And I just left state to do some more shows  
I'm the coolest, that case is closed  
Got a new girl, we'll see how it goes  
Dressed all black from our head to toe  
When you see my clique we lookin like crows  
Cuz we young and stupid  
Yeah, we dumb and ruthless  
Man you know who the crew is  
Lose so much of the jokers abusing the losin'  
Man I'mma be cruising  
My girl, she snoozing  
I really don't care whose in the house  
As long as they bumpin the music  
'Bout to walk in with the clique, what's up  
Look so fly cause we all dressed up  
And they moshin' to the music  
Cause the MSFTS know what's up**

**{Hook}**

**{Verse 3}**

If you reckless, then you a MSFT  
If you rejected, then you a MSFT  
If you not nothing to mess with, then you a MSFT  
If you get this, then trust me, you a MSFT  
If you breaking all the rules, then you a MSFT  
If people think you ain't cool, then trust me, you a MSFT  
If you wanna be rebellious, homie come and follow me  
And I'm lookin at my haters, we say RIP  
Little homie, we the MSFTS  
A MSFT is someone who creates, inspires and disrupts  
Cuz when you stop believing, your parents will start deceiving  
You and all your friends tell you stop leaving  
When you should get the decks and go skate the streets this evening  
Words hurt, like a bee sting  
It's kinda like a disease but to them it's pleasing  
Instead of doing all the pleasing  
You should get the keys and be gone like the wind in the trees  
Agreed?  
A MSFT is a rebel, we standing out  
Like we rocks in the middle of some pbbles  
You jokers corny, let me put you in a kettle  
You poppin for like a minute, let me wait for you to settle  
Hello! Get up on my level  
Who thought the littlest fellow would nominee for these medals?  
You look good in those stilettos  
Sing a lullaby to you like Bella's  
And all these ladies is jealous  
Oh I'mma get my fellows in  
Settle down and say something intelligent  
Hello kids, I'm not saying don't get your college degrees  
I'm not saying to go and skate and break your knees  
I'm not saying to go up in your house and get the keys and  
Run away without telling your parents that you gon leave

**I'm not telling you to be me**

**I'm just telling you you could be free (jeez)**
