

Gotham City Syndicatez - How Many Times?

{Verse}

I loved you yesterday before the fire engulfed my pride

I loved you yesterday before the whole world cried

How many times will you disgrace with shame

How many times will we play this damn game

{Pre-Chorus}

How many times?

How many times?

How many times? (Mother!)

How many times? (Fucker!)

How many times? (Mother!)

How many times? (Fucker!)

How many times, times, times, times, times, times, motherfucking times?

{Chorus}

You can't tÐull us the truth

You can't lead us away

You won't decÐuive us today

You won't lead us away

{Verse}

I loved you yesterday before the fire engulfed my pride

I loved you yesterday before the whole world cried

How many times will you disgrace with shame

How many times will we play this damn game

{Pre-Chorus}

How many times?

How many times?

How many times? (Mother!)

How many times? (Fucker!)

How many times? (Mother!)

How many times? (Fucker!)

How many times, times, times, times, times, times, motherfucking times?

{Chorus}

You can't tell us the truth

You can't lead us away

You won't deceive us today

You won't lead us away

You can't tell us the truth

You can't lead us away

You won't deceive us today

We won't bequeath your decay

{Bridge}

How many times? (You can lead a horse to the water)

How many times? (but you can't make it drink)

How many times? (You can lead a horse to the water)

How many times? (but you can't make it drink)

How many times?

How many times?

How many times?

How many times?

How many times?

How many times?

How many times?

Times!

{Chorus}

You can't tell us the truth

You can't lead us away

You won't deceive us today

You won't lead us away

You can't tell us the truth

You can't lead us away

You won't deceive us today

We won't bequeath your decay

{Outro}

I loved you yesterday before the fire engulfed my pride

I loved you yesterday before the whole world cried
