

YNKEUMALICE - ITâ€™S FINE DONT WORRY

**Everything's going to be ok
Honestly feel like I been
Messing up
Hate myself
Want to scream fuck it
I just can't give up
Even tho things ain't going all right
Know everything's going to be fine**

**Stay on the positive mindset
I let it all work out in the end
Stay thinking to myself
Stay focus on what I have to do
Stay focus on what I gotta do
Everything's going to be fine
I just got to brush it off**

**Everything's going to be ok
Honestly feel like I been
Messing up
Hate myself
Want to scream fuck it
I just can't give up
Even tho things ain't going all right
Know everything's going to be fine**
