You don't how many times I feel it in my guts
I feel like butterfly when I'm around you make me
Fall for again like I don't remember the first time
Love you always miss you most
You say I do the most
How you say I always play
Don't mess with me

Never feel better a thousand more love
On the shelf love to good
Feel it in my guts when you cheat
Say I know what I know
Don't play with me hoe
