

SharkPup - Fboy acid

**If I aim at a couple kissing
Would I be a a new grace**

SHUT THE FUCK UP!

**Make a chance happen when you pop
Acid burns my nails like in the first song
My top pushes off when you get hard**

**I turn off when it goes quiet
You go off at me when you get turned on
Sex doll, sex life
Keep up your sad love
Turn my brain into mush
Perverted fuck boy
I just hit the-**

**Make a chance happen when you pop
Acid burns my nails like in the first song
My top pushes off when you get hard**
