

Indi Star - Not My Problem

{Verse 1:}

**Laying awake I
Go in circles in my mind
Like why would you say that
It's getting harder
Cause I thought you were my friend
So I let you get into
My head**

{Chorus:}

**But it's not my problem
And it's like here we go again
This time tomorrow
I'm gonna break if I have to bend
Just when I thought it was over
You set it all on fire burn it down again
But it's not my problem
It's not my problem**

{Verse 2:}

**Made me believe that
It was only you and me
So I couldn't see that
That you grouped me in with the enemy
And now my head's messed up
Cuz every time I pick you up
You turn it around
And you put me down
And it's not my problem**

{Pre-Chorus:}

Oh

{Chorus:}

But it's not my problem

And it's like here we go again

This time tomorrow

I'm gonna break if I have to bend

Just when I thought it was over

You set it all on fire burn it down again

But it's not my problem

It's not my problem

{Chorus:}

But It's not my problem

And it's like here we go again

This time tomorrow

I'm gonna break if I have to bend

Just when I thought it was over

You set it all on fire burn it down again

But it's not my problem

It's not my problem
