

## **YNKEUMALICE - DOODLEBOB**

**Fantazings about completing spermacide  
On her face watch her get bust on like paint  
I finna fap hard on your pretty face  
Feel like dreams come true when we living right  
Saying that I'm living right I'm living my life  
Love the way I love she love the flex up  
She dirty bitch she flirty bitch  
She just want me for her fucking self**

**She to selfish  
She don't want nobody but me  
She don't want nobody but us  
We all alone in the night  
Text my phone where to meet  
In the night time  
When the owl shoot  
When the wolves howl  
She to selfish  
She don't want nobody but me  
She don't want nobody but us**
