

# YNKEUMALICE - CARMEL APPLE

**Sweet treat**

**She a sweet treat**

**She like baddie ugh**

**Feel like flex her huh**

**Bad little bitch might**

**Be petty today**

**Say ugh uh**

**Hold up may I flex**

**Spits some bars**

**Sweet like candy bars**

**Mars bars**

**I'm that white vanilla**

**Come chase me if I'm your type**

**Say I'm nuts like hazel nuts**

**Pumpkin spice**

**Love the taste**

**Shine like the sun**

**Beautiful like fall nature**

**Got fall intentions**

**Got fall nature**

**Feeling like October**
