YNKEUMALICE - Candy corn

You so bad for me

But you so good for me

Go down bad for me

Try it out with me

Love on me

You so bad for me

But your so good for me

Saying I can't take anymore

Of it I just want you

I just want you

I'm a fool for you

Fall over and over again

Saying that you my type

Love the way

You is don't prove me wrong

I can get us outta here

Saying it just be me and you

Say you to fine to be stressing

Life's a blessing to me

You so bad for me

But you so good for me

Go down bad for me

Try it out with me

Love on me

You so bad for me

But your so good for me

Saying I can't take anymore

Of it I just want you

I just want you

I'm a fool for you

Fall over and over again
