

Gothic Psychology - Dead Moths

{verse 1}

Every bite feels like defeat

Starving leaves me incomplete

I need to me stop myself from eating

I need to purge myself of these urges

{Chorus}

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

{verse 2}

I can't be me anymore

But I refuse to give up this far

But I don't like who I've become

Oh well

{Chorus}

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

{verse 3}

Laying in bed alone I wonder

Why even bother

But I guess this is

What I'm meant to do

{bridge}

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

{Chorus}

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore

I don't want to care anymore
