

YNKEUMALICE - Iliad

Feel like freedom

To be myself

Saying I go with the wind

Knowing I'm a rolling stone

Trips to and from

Back and forth

Trips under the sun and moon

Trips to outer space when I'm high

Feel like freedom

Feel like an eagle I soar

Feel like phoenix

From the ashes

Of the fall

Red solo cup fill me up let's have a party

One night just to live up again

Just to feel alive again

Just to feel a high again

Just to feel the vibe again

Red solo cup fill me up let's have party

Another night lonely

Trying to go out to night

Feel like freedom

To be myself

Saying I go with the wind

Knowing I'm a rolling stone

Trips to and from

Back and forth

Trips under the sun and moon

Trips to outer space when I'm high

Feel like freedom

Feel like an eagle I soar

Feel like phoenix

From the ashes

Of the fall
