

## **Sammy Williams - Musical Comedy**

**{STUART}**

**I want to be in a musical comedy  
Forget the drama, delight and amaze me  
Nothing can faze me  
When they sing and they dance  
Oklahoma! to Runaways  
Keep your Faye Dunaways  
Give me a Merman  
Gower Champion not Harold Clurman**

**That's the ticket and I'll stick it out  
Yes, I can do it  
Tap all day or dance ballet and sing  
There's nothing to it  
I'll get through it**

**When you've  
Got fancy clothes and you've got a new hat to wear  
With stuff like that to wear  
You'll reach the top, you  
Won't let anything stop you**

**{Dance break.}**

**{STUART & ENSEMBLE}**

**When you've  
Got fancy clothes and you've got a new hat to wear  
With stuff like that to wear  
You'll reach the top  
You won't let anything stop you  
Up you go**

**Hit the heights in a great big  
Musical comedy show!**
