YNKEUMALICE - LEMON PEPPER ELOTE

Came with the hit I go bar for bar
Go hella hard like this a court yard
Trying to get a goyard
Get to the goalies feel like
A goalie
Feeling like worth the wait
Just to hold on tight
Feel as if I'm going far
Came with the heat I go hard

Going hard
Going far
Take off in a rocket
Can't feel my feet been walking
On the moon feel like my side is unknown
Dark side of the moon May the force be with you
I gotta fur coat like Ewok
