

## Jessica Rush & Caitlin Ary - Opposites

{KAREN & SUSAN}

Opposite lives

Opposite goals

But really I'd prefer

{SUSAN}

If I could be the way she is

{KAREN}

And if I could beâ€”like her

{SUSAN}

Pretty and perfect

Safe and secure

Assurance in every way

Hey...

{KAREN}

She's insecure

{SUSAN}

She's got it all

{KAREN & SUSAN}

Switch places with me, please

{KAREN}

Just let me know the way it feels

{SUSAN}

Let me see the things

She sees

**{KAREN}**

**Not picture perfect**

**Not what they'd run for**

**Fun for a while but then**

**What then?**

**{KAREN & SUSAN}**

**Opposites**

**That's what we are**

**Opposites**

**Head to toe**

**Two who just want to know**

**{SUSAN}**

**What the coin is like on the other side**

**{KAREN}**

**If her kind of life's the kind to be tried**

**{KAREN & SUSAN}**

**I'd like to know, so...**

**Opposite looks**

**Opposite hearts**

**Opposite as can be**

**But for a little while I'd like**

**Being like herâ€™not me**

**The opposite life**

**That's what I'd like to see**
