

Alec Normal - Never Not Take Do

If i was given one chance
To never ever not take do
Would i avoid doing that
Or only never to you
So could you give me one chance?
To never ever not take do?
I won't avoid doing that
And never do it to you

I won't be mad where wind takes us, no
I can't be
But does it matter if i take you home
With me?
I won't be mad where wind takes us, no
I can't be
But does it matter if i take you home
With me?

If i was given two chances
To never not take these dances
Would i give you all i had?
(how much is that?)
Or choose to keep up my antics
So could you give me a chance or two?
To take a dance have a kiss or two?
I won't avoid doing that
And only do it to you
I won't be mad where wind takes us, no
I can't be
But does it matter if i take you home
With me?

I won't be mad where wind takes us, no
I can't be
But does it matter if i take you home
With me?

I wish
I wish
That you'd show yourself here
And show yourself now
And i wish
Whether its obvious or not
That you know that i know
That he knows that she knows
That i know that you know
That he knows that i know
That you know that he knows
That i love you

Good to see you
Good to see you
Good to see you
My name is magic swamp chair man
Still
I won't be mad where wind takes us, no
(yeah how could you?)
I can't be
(how could you?)
(how could you)
But does it matter if i take you home
(right now?)
With me?
(right now?)
(right now okay!)

I won't be mad where wind takes us, no

I can't be

But does it matter if i take you home

With me?
