

FoxWithGuns - Ping Pong's Story

{Verse 1}

Lost on an island

Sitting in silence

Waiting for somebody to arrive

He sits on a lakeside

Just him and his mind

Hoping for somebody by his side

{Verse 2}

Found on this island

A group of new friends

Gathered in the place they call their home

Sat by a lakeside

Just them and their minds

What a lovely way to spend a life

{Outro}

(That's Mama Luigi to you, Mario!)
