

YNKEUMALICE - Patriot popcorn

**Red white n blue flying high
Feel my pride
Got my pride
Don't care what you got to say
You just mad in me can't live
In your shoes hate the country
Don't mind just don't push my rights around
Don't push my limits know you would
Feel like going for a beer
On hot summer day**

**Got my pride
Ain't no one taking my pride
Ain't no one going stop me
Feeling like a problem need a 2A
And a good lawyer
Got my pride
Ain't no taking my pride
Proud to be proud
Born to be free**
