

Gaustad - GAGA

{Chorus}

Baby, I just wanna be a rockstar (Rockstar)
Dancing like a virgin like Madonna ('Donna)
Flashing lights, I'm front row with Rihanna (Ah nah)
On the edge of glory like I'm Gaga, Gaga

{Verse 1}

Don't want to be a nobody
No one to care about me
My shoes, my hair, my chains I wear
The whole room stares so loudly

{Pre-Chorus}

Tell me I'm perfect, wrap me in plastic
Put a bow on it like a doll
Tell me I'm pretty, like a fantasy
And tell me you'll miss me when I'm gone

{Chorus}

Baby, I just wanna be a rockstar (Rockstar)
Dancing like a virgin like Madonna ('Donna)
Flashing lights, I'm front row with Rihanna (Ah nah)
On the edge of glory like I'm Gaga, Gaga

{Post-Chorus}

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga
Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga

{Verse 2}

Superstar shtick, watch me ride it
Like disco sticks, I'm glowing
Dance in the dark, our queen of hearts

Buy out the bar, we're vibin'

{Pre-Chorus}

Tell me I'm perfect, wrap me in plastic

Put a bow on it like a doll

Tell me I'm pretty, like a fantasy

And tell me you'll miss me when I'm gone

{Chorus}

Baby, I just wanna be a rockstar (Rockstar)

Dancing like a virgin like Madonna ('Donna)

Flashing lights, I'm front row with Rihanna (Ah nah)

On the edge of glory like I'm Gaga, Gaga

{Post-Chorus}

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga

{Bridge}

I'm still in my parents' house, sleepin' on a basement couch

Blowin' all the speakers out

Living life through movie screens, see myself inside the scene

Nelly said it's just a dream

{Chorus}

Baby, I just wanna be a rockstar (Rockstar)

Dancing like a virgin like Madonna ('Donna)

Flashing lights, I'm front row with Rihanna (Ah nah)

On the edge of glory like I'm Gaga, Gaga

{Post-Chorus}

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga (On the edge of glory like I'm)

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga (Baby, I just wanna be a rockstar)

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga

Gaga, Gaga, Gaga, Gaga, Gaga, Gaga, Ga
