

Crabb Family - You Can't Imagine

**Two friends were talking about God's wonderful grace
And love**

**One came from a Christian home the others life was tough
One met Jesus as a child; one was scarred from all he'd been
Though their lives were different you would hear from each of them**

**You can't imagine what the Lord has done for me, I'd try to tell you but I
doubt that I could ever make you see
What would I do without him? Where on earth would I be?
You can't imagine what the Lord has done for me**

**If we were sharing about the road we've traveled here
We've come from separate worlds but mercy's brought us Near
No matter what we've done we're on common ground today
At the cross of Jesus every one of us can say**
