

## **FoxWithGuns - Power Tripppppppp**

**{Chorus}**

**Peeping through with an overhead view**

**'Cause a man's gotta do what a man's gotta do**

**So I stand, I'm the man with the plan**

**'Cause the power's in my head and the power's in my hands**

**Peeping through with an overhead view**

**'Cause a man's gotta do what a man's gotta do**

**So I stand, I'm the man with the plan**

**'Cause the power's in my head and the power's in my hands**

**{Verse 1}**

**Why would I need you**

**Kill who you once knew**

**See all through new eyes**

**Space drowns out these cries**

**{Chorus}**

**Peeping through with an overhead view**

**'Cause a man's gotta do what a man's gotta do**

**So I stand, I'm the man with the plan**

**'Cause the power's in my hĐµad and the power's in my hands**

**Peeping through with an overhĐµad view**

**'Cause a man's gotta do what a man's gotta do**

**So I stand, I'm the man with the plan**

**'Cause the power's in my head and the power's in my hands**

**{Verse 2}**

**The power's in my head, the power's in my hands**

**If I end up dead, I'll be buried in the sand**

**In the tomb of a god**

**The dream's dead**

**Only fools get fooled by facades**

Only fools get fooled by facades, okay  
Well of course I'm flawed, I was born this way  
But I know I'm the best that there ever will be  
You won't ever kill me 'cause I know you'll play the  
Victim, victim, poison in your systems  
Was this meant to be (Victim, poison in your systems)  
Bottled up shock, there's a block in your chakras  
Hath you been fooled by this cloak of faux thoughtless?

{Bridge}

All is clear to see  
This was meant to be  
Walk through with new eyes  
Towards this tunnels light

{Chorus}

Peeping through with an overhead view  
'Cause a man's gotta do what a man's gotta do  
So I stand, I'm the man with the plan  
'Cause the power's in my head and the power's in my hands  
Peeping through with an overhead view  
'Cause a man's gotta do what a man's gotta do  
So I stand, I'm the man with the plan  
'Cause the power's in my head and the power's in my-
