

JBMuzic - Thrown Away

{Verse 1}

Life

Not in

Not in Heaven

Strifes

Alone

Alone within

I

Can't take

Can't take fatigue

You

You know

I'm crying on her elbow

{Pre-Chorus}

(You, you know, I'm crying on her elbow)

{Chorus}

I am still here, left to

Rot again in

The gray

No one like you'd help me

I sit calmly

Replay

Why would love deny me?

Still rewinding

That day

**You're just here beside me
Screaming, smiling
I'm thrown away**

**{Post-Chorus}
(I'm thrown away)**

{Verse 2}

**Why
Aren't you
Aren't you lost now?**

**You're
Still here
Still here, I fear**

**PleasĐµ
Kill me
Kill me and my heart**

**LĐµt
Me free
And take my lasting dignity**

**{Pre-Chorus}
(You, you know, I'm crying on her elbow)**

**{Chorus}
I am still here, left to
Rot again in
The gray**

No one like you'd help me

I sit calmly

Replay

Why would love deny me?

Still rewinding

That day

You're just here beside me

Screaming, smiling

I'm thrown away

{Bridge}

I am here and you won't leave me be

â€œLeave me beâ€• I yell

Please

See

Past death

Just

Let me turn off the

Television

The visions won't

Let me go

Maybe

{Pre-Chorus}

I can go

{Chorus}

I am still here, left to

Rot again in

The gray

No one like you'd help me

I sit calmly

Replay

Why would love deny me?

Still rewinding

That day

You're just here beside me

Screaming, smiling

I'm thrown away

{Post-Chorus}

I'm thrown away
