

Crabb Family - Singing and Rejoicing

**There is joy in serving Jesus and I'm finding more
As I walk with Him from day to day
Everyday my joy gets greater
Fellowshipping with my savior
I'm singing and rejoicing on my way**

**I'm singing and rejoicing on my way
Praising Christ my blessed Savior every day
No more in sin I travel, I walk the straight and narrow
I'm singing and rejoicing on my way**

**Things of Earth no more can charm me, for I see the shore
Where with my friends and loved ones I shall stay
I can hear the angels singing, in my heart are joybells ringing
I'm singing and rejoicing on my way**
