If I am going to waste your time, then you gon' waste my time

And we gon' waste our time

Who's gonna save our time?

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)

If I am going to waste your time, then you gon' waste my time

And we gon' waste our time

Who's gonna save our time?

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)

Who's been flying, yeah? (Come on)
