

Jaden - Gotta Move Bags

**Baby sip in slow motion
Swear your body like the ocean
Why you always got me rollercoastin
And mix the pilly with the potion
Why you always gotta fuck with my emotions
Got me coughin on your bullshit**

Luke sway got me feeling like im chosen

{â€}

You *** frozen**

The pink pearls got me chokin

I hit the {â€}

I wasn't jokin

{â€}

{â€}

When i pull up to the crib that shit get noisy

Waited last week for a *** outside**

{â€} with the figures in the benz

Got a couple rings on my fingers on my hands

{â€}

I just wanna see you dance

Imma blow it all on you if you hold all of my cash

You wanna see me whip it so i whip and drive it fast

Baby sip in slow motion

Swear your body like the ocean

Why you always got me rollercoastin

And mix the pilly in the potion

Why you always gotta fuck with my emotions

Where you at where you at girl i've been waiting in this town

Where you at where you at girl i've been waiting in this town

{â€!}

{â€!}

Girl you got me shining

Clabassas where you find me

I love you but now we're falling

This is not no harley

Come and find me girl

Paparazzi

Baby sip in slow motion

Swear your body like the ocean

Why you always got me rollercoastin

And mix the pilly in the potion

Why you always gotta fuck with my emotions
