Ooh, don't you be acting meannn

There's a pistol in my jeans

(Yuh! yuh!)

Ooh, don't you be acting cheesed

**You be acting mean?
Well I beat up your knees
You a big weenie
Come back to Ohio

Yes we be
Fighting fairlyyyy
You a coward lowkeyyyyyy**

**{Hook: beepboopbopbop}
Ooh, don't you be acting meannn

(Yuh! yuh!)
Ooh, don't you be acting cheesed
There's a potato in my jeans**

**{Verse 5: MC BEEF WELLINGTON}
You a weenie
Big meanie
Creature from hell
Gonna bring back rap
Knock you into a shelf
We shutting parties down
And opening up new ones
We be rapping like
"Yo, you hella dumb."
Like, 1, 2, 3
You a massive Weenie
You look like a Bernie
Weenie Hut Jr's
Couldn't hold ya
You look like a senior
You stupid, brah**

Yah, yah, we spittin sick
Like dysentery
We put the diss on dysentery
Because we spit sick shit
Without Ohio you'll be useless
And toothless
On the tracks we blazed
You couldn't navigate your way out of a Circle K
Send over Yeezy and Weezy
Cause your tracks aren't worthy
Suffering your raps sounds like a terrible journey

{Hook: beepboopbopbop}

Ooh, don't you be acting meannn
There's a pistol in my jeans
(Yuh! yuh!)
Ooh, don't you be acting cheesed
There's a potato in my jeans

{Verse 6: NÃ~X}

I'm gonna rock this blouse and put a cock in mouth
And get my balls blew out
It's splitting to the ass
And lay with eighteen guys naked
And let myself show
Let myself show
Buttfuck it, suck it, pull it, tug it
Life's too short to not stroke your bone
So everybody, everybody
Circle jerk, touch my body, ayy, fâ€™", ayy
We rap lowkeyyyyy

{Hook: beepboopbopbop}

Ooh, don't you be acting meannn

There's a pistol in my jeans

(Yuh! yuh!)

Ooh, don't you be acting cheesed

There's a potato in my jeans

{Outro: NÃ~X}

Pull it out your ass
