

Alec Normal - Scared of the Dark

**Since i created it you would think i understand
But i don't know what it's about
At night i don't turn off all my lights
Scared of the dark in my own house**

**But if you keep it a secret
I know i'll fall into you
Cause i don't know why it's so difficult
To make my brain match with my mouth**

**I just want
A reason to still love her
And i just want
A pocket full of you!**

**Since i created it you would think i understand
But i don't know what it's about
At night i don't turn off all my lights
Scared of the dark in my own house**

**If i'm ignoring the messages that you send
Just know i'm storing them up here
Cause i don't want reason to be our fall
But it seems that the choice is clear**

**Cause if you give me tenderness and warmth
You know i'll fall into you
Cause i can't be here and i can't be there
So what the hell am i to do?
I just want
A reason to still love her**

And i just want

A pocket full of you!

I just want

A reason to still love her

And i just want

A pocket full of you!

Since i created it you would think i understand

But i don't know what it's about

At night i don't turn off all my lights

Scared of the dark in my own house
