

## **Alec Normal - Weird Looking Dog**

**Keep that thing at bay!**

**That's a surefire way to get yourself killed  
Running at me with that weird looking dog I'm  
I'm gonna say  
I'm gonna say  
That's a surefire way to get yourself killed  
Running at me with that weird looking dog I'm  
I'm gonna say  
I'm gonna say**

**And I never once doubted you could do good  
That's a lie because you don't do what you should,

I'm gonna say  
That's a surefire way to get yourself killed  
I'm gonna say  
Weird looking dog I'm  
Weird looking dog I'm  
I'm gonna say  
That's a surefire way to get yourself killed, killed  
I'm gonna say  
Running at me with that weird looking dog I'm  
That's a surefire way to get yourself killed  
Running at me with that weird looking dog I'm  
That's a surefire way to get yourself killed  
Running at me with that weird looking dog I-
