

Alec Normal - An Ode

Hi this message is for, for, for for

Hi this message is for Alec

(See you soon, bye!)

I'll fall in love again, love again

I'll fall in love again, love again

Just give me one more shot

At your heart

You'll give me one more shot

(Aw I missed!)

I poured my heart out right into your lovely hands, my dear

(Uh, you might wanna look at her)

Did you hear a word I just goddamn said to you?

No one can hurt me

No one can see

(That's not funny)

Nobody knows that I have suffered a lifetime of pain for you

I wish that I could execute it, but then you'd say "But that isn't true!"

Number fifteen on my list of reasons to pretend it's over with

Never helter

Never skelter

Neverending kiss

(Now you bastards can go home!)

Hi this message is for, for, for for

Hi this message is for Alec

And if a note comes through, I'll know it's true

And that I owed to you, an ode for you!

But if it doesn't come and my singing's done

Oh well, it still was fun!

(Aw I missed!)

But I've been cursed with your cruel and ignorant glare all year

(Alright you can quit looking at me!)

It does rip all of my organs out so this disappears

I already ripped out all of my goddamn hair for you

**And I already drove my car off the bridge so I'll sell the parts for money
to go to your hometown**

Yeah, yeah, yeah, yeah!

Woohoo, hahaha!

Nobody knows that I have suffered a lifetime of pain for you

I wish that I could execute it, but then you'd say "But that isn't true!"

Number fifteen on my list of reasons to pretend it's over with

Never helter

Never skelter

Neverending kiss

(One, two, three, four!)

Nobody knows that I have suffered a lifetime of pain for you

(Four, three, two, one!)

I wish that I could execute it, but then you'd say "But that isn't true!"

(One, eight, hundred!)

Number fifteen on my list of reasons to pretend it's over with

Never helter

Never skelter

Neverending kiss
