

YNKEUMALICE - That's My type

That's my type

That's my type

That's my type

That's my type

I am I your type mama

Could I be your type mama

What's your type mama

Love what I see

I love what I like mama

Looking snacked out in your fit mama

Like your vibes mama

Like your energy mama

What's your zodiac

What's your birthday

I'm trying to turn up with you

Since you a hype bitch

Since you wild bitch

I like what I like mama

I am I your type mama

Could I be your type mama

What's your type mama

Love what I see

I love what I like mama

That's my type

That's my type

That's my type

That's my type
