

## **BENJIxScarlett - NICE Ragatha Song**

**It's Ragatha and I am here to tell you that I am nice**

**It's Ragatha and I am super nice**

**It's Ragatha and I am super kind**

**I got red hair like licorice**

**And a button eye of course**

**A purple dress and purple bow**

**I am the cutest in the show**

**It's Ragatha**

**And I am super nice**

**It's Ragatha**

**And im super kind**

**I may be cute but i can be savage**

**All my haters say that I'm a sandwich**

**But I bet you're too scared to say it to my face**

**I'll beat you up so good your mom thinks you're a disgrace**

**It's Ragatha**

**And I am super nice**

**It's Ragatha**

**And im super kind**

**I'm cute but savage**

**I am so lavish**

**I'm cute but savage**

**I AM so LAVISH**
