Do it for the fans

Do it to express yourself

Always be your self

Learned to rap from someone who inspired

Me when young to rap again I once mad a rap

In forth grade in fifth grade I rapped for a talent show

I started again rapping in high school

Then got burnt out 2023 thinking no point

But continued

Without care now I think about it xxxtentacion

And lil peep and lil Wayne were the biggest influences

For my raps, continued to rapping now I want the

World and fans know I want to do this for the youth

Album do it for the youth to be themselves with a positivity light

To em inspired by xxxtentacion. This album was dedicatĐµd to

An alternative album about me quitting , it's inspirĐµd by lil peep

In the end

In the end

I be myself

I be myself

I can't always run

I can't always run

In the end

In the end

I be myself

I be myself

Being normal is being you

If you can't be yourself your dead as person

Evolve your mom evolve as person

Reach your divine self
