

YNKEUMALICE - HIGH SCHOOL REJECT

**I don't give a fuck i love who i love
I ain't the same i am a ugly mess
A mess of who who i am
I don't give a fuck i love who i love**

**Fuck i hated school
Fuck i don't wanna go some days
I wanted to say home
Fuck i hated school
Toxic depression
Feeling like no one fucking like me
Rough teenage life
Going to school
Issues on the buss
I'm a hot boy**

**Up in the night
Lonely nights alone
Wishing for love
I was alone
I was hating myself
Relized love ain't shit
Numb me now
Up in the night
Lonely nights on the phone
With the one i love
Fuck i hatĐµd school
Fuck i don't wanna go some days
I wanted to say home
Fuck i hatĐµd school
Toxic depression**

Feeling like no one fucking like me

Rough teenage life

Going to school

Issues on the buss

I'm a hot boy

I don't give a fuck i love who i love

I ain't the same i am a ugly mess

A mess of who who i am

I don't give a fuck i love who i love
