

# **YNKEUMALICE - FLAME IN MY HEART**

**Fall for you**

**Deep for you**

**Fall for you**

**Deep for you**

**I love that I love you**

**But hate to love again**

**And again**

**Time after time**

**But my heart won't give me**

**Break want to fall in love**

**Knowing you ain't the one**

**For me I can't help to fall**

**In love**

**Fall for you**

**Deep for you**

**Fall for you**

**Deep for you**

**Deeper I know the deeper I love you**

**Wishing I never meet you for messing with my head**

**I can't get out my heart I can't stop**

**Reviving the love I have for you**

**Fall for you**

**Deep for you**

**Fall for you**

**Deep for you**
