

BENJIxScarlett - Sad DogDay Song

{Intro: DogDay}

I'm DogDay, and I'm just so sad!

Why do bad things happen to good people like me?

It isn't fair! Life isn't fair!

{Chorus: DogDay}

I'm DogDay, and I'm sad!

I just want to be glad

I'm Dogday, and I'm sad!

My life is just so bad!

{Verse 1: DogDay}

I lost my legs but that's not all!

I lost my friends, that's worst of all!

The Smiling Critters were BFFs

But Catnap came and made a mess

{Chorus: DogDay}

I'm DogDay, and I'm sad!

I just want to be glad

I'm Dogday, and I'm sad!

My life is just so bad!

{Verse 2: DogDay}

Mirror, Mirror on the wall, who's the saddest of them all!

Me! Staring back, reflection cracked, of souls attacked!

Life's a battlefield, scars etched in my skin!

But every victory shortlived the losses just begin!

(Augh!)

{Chorus: DogDay}

I'm DogDay, and I'm sad!

**I just want to be glad
I'm Dogday, and I'm sad!
My life is just so bad!**
