

YNKEUMALICE - HATE CANT BREAK ME

Hate me

Hate me

Hate me can never break me

Hate me

Hate me

Fuck the world

Fuck the hate

Pain in my chest

Knives in my back

They watch me bleed

Fuck the world

Fuck the hate

Fuck the pain

Numb the pain

Live my life to the fullest

Fuck what you gotta say imma

Keep being me even tho you

Hate me

Hate me

Hate me

Hate me can never break me

Hate me

Hate me
