

Elliott Fullam - Ready To Leave

{Verse 1}

**I went to far I'm going insane
I drove up to my old friends boulevard
I saw the old ball we used to play with
You left it there with all of your memories**

{Chorus}

**Not my fault
You just don't know it
Push me off
You just don't know it
Not my fault you just don't know it
Push me off
You just don't know it**

{Verse 2}

**They say you had a lot of potential
When does it stop being potential
I swear it only gets better
I swear it only gets better**

{Chorus}

**Not my fault
You just don't know it
Push me off
You just don't know it
Not my fault
You just don't know it
Push me off
You just don't know it**

{Verse 3}

Now who am I

I'm ready to leave

Just go on without

Without me I plead

Yesterday I thought I died

Don't know where to go

Where to go from here

Don't know where to go

Where to go from here
