

## **BENJIxScarlett - Chicken Wing Song**

**{Chorus: Benji and Unknown}**

**Chicken wing, chicken wing, hotdog and baloney**

**Chicken and macaroni, chillin' with my homies**

**{Verse 1: Benji}**

**Chicken wing, chicken wing, everybody come and see**

**All the homies are the kings in this land of make-believe**

**So gather round and guess whats up, it's a party kid, so lighten up!**

**Fool me once, then shame on me**

**Fool me twice, it's a chicken wing!**

**{Chorus: Benji and Unknown}**

**Chicken wing, chicken wing, hotdog and baloney**

**Chicken and macaroni, chillin' with my homies**

**{Verse 1: Benji}**
