

Jordan Brynn - Katie Ann

{Verse 1}

**You said I was overreacting when I cried on the phone
Told me it was stupid, I should leave it alone
That's a red flag if I've ever seen one, one, one
You said there was nothing to worry about
I didn't call your bluff and look where we are now
I saw it coming, yeah
I knew what it was
I just didn't run**

{Pre-Chorus}

**Fast enough in the other direction
It's too fun when you keep me guessing**

{Chorus}

**But it was no surprise that you got a little bored
Yeah, you found another girl
Surprise
I knew about her all along
Needed a title for this song
Tell her, "Congratulations, got yourself a cheating man"
I hope I'm not overreacting
But screw you, Katie Ann**

{Verse 2}

**You said you were just friends, but I find that odd
'Cause I don't hang with my friends in cars at parking lots
At 2 a.m., said you were out of town for work
(I followed you there, now was that a business affair?)
'Cause oh, what it looked like to me was exactly what I thought it'd be**

{Chorus}

It was no surprise that you got a little bored
Yeah, you found another girl
Surprise
I knew about her all along
Needed a title for this song
Tell her, "Congratulations, got yourself a cheating man"
I hope I'm not overreacting
But screw you, Katie Ann
Screw you, Katie Ann

{Bridge}

And I know that knock on your tinted window scared you half to death
And I wish it done a better job so then I wouldn't have a lot of work left
You got out crying, begging me but I don't need your apology
'Cause it was no surprise to me
But the face in the backseat

{Chorus}

Well, she looked surprised
That you got a little bored
That she was just the other girl
But then she smiled at you
And said I knew it all along
And then she helped me write this song
So congratulations, just became a lonely man
So best wishes
And screw you from me and Katie Ann
Me and Katie Ann
