Are you better ÙŠØš Ù,Ù,,Ø`ÙŠ  
I hope so, let me know Ø-Ø`ÙŠØ`ÙŠ

It's a different type of feeling  
When the pressure sets in  
They all watching the future  
But this ain't the Jetsons  
Hard to think clearly when you let the stress in  
Ù...Ù† Ù,,Ø`Ù†ØšÙ† Ù`Ù•Ù,,Ø³Ø·ÙŠÙ†  
Right back to the west end

They tryna find out how I did it like Giza  
How I took it 'round the world like Visa  
Remember nights Ù...Ø-ÙŠØ±Ø© ØšÙ,,Ø·Ø±ÙŠÙ,Ø©  
Now the labels like ØšØ³ØªÙ†ÙŠ Ø`Ù,ÙŠÙ,Ø©  
Yeah  
Now the labels like ØšØ³ØªÙ†ÙŠ Ø`Ù,ÙŠÙ,Ø©

No I can't pick up  
Contracts ripped up  
Momma out in Amman  
But hĐµr bills picked up  
Had to watch her son burn while thĐµ heat came up  
That's the real definition of I never give up  
Lotta time I invested  
Suit double breasted  
Now I'm crossing everything I wanted off the checklist  
Watch the way I slide in the game undetected

While they all just wait on the side for acceptance  
And my family don't understand  
I can't blame 'em it's a risk that I'm taking  
But I always had a plan  
Feel the pressure I just gotta embrace it

It's a different type of feeling  
When the pressure sets in  
They all watching the future  
But this ain't the Jetsons  
Hard to think clearly when you let the stress in
