**Sitting back smoking
On my congratulations
For my accomplishments
Thinking of the times
I couldn't make
High school graduate**

All the times i want quit
Momma don't cry i made it
Know you raise a star
Momma raised a star**

For my accomplishments
Thinking of the times

Verse

**When dad left i became
The man he wasn't
Break family curses
I know he never seen me
To be a star
Living my best life
Without him
Doing things that make me**

A man staying for my kids

Interlude

Say this life destined for me

Say this life destined for me

Align with the stars

Faith and destiny
