

Roadrunner United - Punishment

{Intro: Evan Seinfeld}

Huh

Let's go

{Refrain: Evan Seinfeld}

I question not me, it only happens to others

I can't deny reality as life (Gets smothered)

{Verse 1: Evan Seinfeld, Billy Graziadei, & Both}

If the lines can be read between

Maybe you can tell me then what it all means

He who paints the big picture runs the whole scene

Locked down, I gotta get it out

Impending doom, a cloud above my head

Why me? My faith has been devout

Blasphemous? Am I better off dead?

{Refrain: Evan Seinfeld & Billy Graziadei}

Punishment, for all my sins

{Verse 2: Evan Seinfeld Billy Graziadei, & Both i}

A burning thought inside my mind

Has me full of pity for all humankind

WÐµ move forth, fall farther

Fear of dÐµath, will my life go on?

Controlled fate? On the corner rolling dice

Punishment, but I've done nothing wrong

In my eyes, who really pays the price

{Chorus: Evan Seinfeld}

My lament, for the human race

Guilty, punishment for all my sins

Yeah-yeah

{Guitar Solo}

{Verse 3: Evan Seinfeld, Evan Seinfeld & Billy Graziadei}

Dread the day that brings the truth

Punishment for what I've done

Sentence me for all my sins

Bound in fear for what I've got

Though not much, it seems a lot

Life is death and no one wins

{Verse 4: Evan Seinfeld}

Bustin' my ass, another day another dollar

Kneel down, confess to the father

Suffering burning question of truth

Not to pull the trigger or just jump right off the roof

'Cause I did things normal and just like all my friends

Now I'm positive and life, it all ends

{Chorus: Evan Seinfeld & Billy Graziadei}

Punishment, for all my sins

I repent

{Verse 5: Evan Seinfeld, Billy Graziadei, & Both}

In reality, we all must face the fact

The majority of people out there smoke crack

Getting doped up, shooting that shit into their veins

Question must be asked, got any brains?

Right or wrong in this song

Question must be asked and answered 'fore long

No one is safe in this world, what's the deal?

Sentence is death and to what court do I appeal?

{Chorus: Evan Seinfeld & Billy Graziadei}

Punishment, for all my sins, I repent

Punishment
